

Red Letter “You Lack One Thing”

Gather:

Take the time to ask and answer these questions each week. They may be the same questions week to week, but we believe if truthfully answered, can reveal a lot about what God is doing in and through your lives.

- How am I doing loving the people God has given me to love?
- Why is God so good?

Change:

- Think back to the message and share what theme, verse, or point stuck out the most? Why? Remember to bring your Update to group to refresh your memory.
- Read Mark 10:17-31 using the “Devotional Method”. (This is the same new method worked through last week, and we want to practice it again this week. For the devotional method you simply read the passage and you meditate on it till the Holy Spirit shows you how to apply truths to your life. The goal is application not just interpretation.) Some points to consider while meditating on this.
 1. Spend time praying for insight on how to apply this truth to your life before you read.
 2. Meditate and share insights with each other. How should Jesus’s words affect our lives? Visualize the scene. Put yourself in the shoes of the disciples.
 3. Write out an application. Don’t just talk about it, actually write out action steps you can take.
 4. Memorize a key verse in this passage that can help you apply the truths you’ve learned.
- Hopefully this devotional method leads you to a place where you can identify what is “the one thing you lack” that Jesus talked about with the rich young ruler. What or who have you put on God’s throne? What can you do to put God back on the throne?
- Read Luke 9:23-25, What is a step you can take in your life to take up your cross and deny yourself, as followers of Christ, we are no longer our own?
