

Easter “Celebrate”

Gather:

Ever wonder what the goal of small groups are? Ultimately they are meant to equip you to daily, walk closer with Jesus, and to allow the Holy Spirit to work in you and through you to love and serve people well. Ask the following questions to see how it's going.

- How am I doing loving the people God has given me to love over this past week?
- Why is God so good?
- What is something new that God has revealed to me this week about himself or myself?

Change:

- Think back to the message and share what theme, verse, or point stuck out the most? Why? ***Remember to bring your Update from the weekend to refresh your memory.
- Celebrate the Easter story by reading Matthew 28 and share something that jumps out to you.
- Share your story of how you meet Jesus and began to follow him.
- Share how your story has changed over the past year. From last Easter to today, what has God taught you? Where have you been challenged? How have you been blessed? What are you excited about in the coming year?
- What else has God put on your heart to share with the group? This can be about this week's teaching or anything else going on in your life.

Serve:

- This semester we want you to make it a priority to Love God and to Love others. We are asking you to commit to two things. #1 Apply the bible study methods you practice in small group during the rest of the week. INVEST in your relationship with God. #2 Get involved as a group and have an impact on this city! You will notice that we are highlighting and partnering with a few local organizations that are doing amazing things in Gainesville. If you don't already have people and places to impact in mind, join up with one of our Shift partners. We want to challenge you to spend at least one day/group time per month serving and loving those around you, and making a real impact on this city, all for the sake of the gospel. BY ALL POSSIBLE MEANS!
