

## #NothingWill “The Will of God”

### Announcements:

- In lieu of Growth Track over the summer we are offering “ASK ANYTHING”. If you are new to Shift and have questions about who we are or what we believe this is a time for you to ask anything! Directly after both services we will meet at the front of the stage for 10 minutes for you to ask your questions. If your questions need more we can schedule a time to talk that week. We want to give you space to be able to take your next steps in faith and at Shift.
- **Second Shift Float Trip** We are launching our student ministry and our first event ever is floating the Ichetuknee River on June 28<sup>th</sup>. Click the link: [Second Shift Float Trip](#), fill out the form and check out the FAQ sheet for all the info.
- **S.O.A.P. (Scripture, Observation, Application & Prayer)** Are you taking the S.O.A.P. challenge for our #NothingWill series? Click [HERE](#) for more info on how to S.O.A.P. with us through the study of Romans.

### Change:

- Think back to the message and share what theme, verse, or point stuck out the most? Why? \*\*\*Remember to bring your Update from the weekend to refresh your memory.
- Read Romans 12:1-2. This is a fairly popular verse in church circles. Have you ever read it before? If so, how has it affected your walk? If not, what does it say to you?
- Brad laid out a clarification of God’s will:
  1. Sovereignty of God- God’s control over all of creation.
  2. Will of His Desire- God’s commands for us but we have the choice to obey or not.
- How do these two come into play in your life? In the life of those around you? What does this mean on a large scale?
- Brad said that we have a choice to give our lives and will to God. And that if we do it means a few things:
  1. Leaves no room for passivity
  2. True worship isn’t just singing songs, it’s the way we live
  3. The world will try to conform us
  4. Our minds need to be transformed
- Looking at those four things listed about which struck you the most? Which convicted you? Why? Did any of them encourage you? Why?
- What does it mean to live a life of worship?

- In what ways have you felt the world trying to “conform” you? What does it mean to have our minds transformed? How are the two different?
- Brad ended with 3 calls:
  1. A call to love God
  2. A call to love others
  3. A call to love self
- Of those which is hardest for you? Which is easiest? What next steps do you need to take in these calls?
- What else has God put on your heart to share with the group? This can be about this week’s teaching or anything else going on in your life. Now is the time to share with those who care about you and love you.
