

#NothingWill “The Will of God”

Announcements:

- In lieu of Growth Track over the summer we are offering “ASK ANYTHING”. If you are new to Shift and have questions about who we are or what we believe this is a time for you to ask anything! Directly after both services we will meet at the front of the stage for 10 minutes for you to ask your questions. If your questions need more we can schedule a time to talk that week. We want to give you space to be able to take your next steps in faith and at Shift.
- **Serve Gainesville** – We have an amazing opportunity to partner with one of our community partners and make a difference in the city of Gainesville. On July 28th, from 9am-12pm, Shift will be serving Saint Francis House. Saint Francis House helps people transition out of homelessness. From pulling weeds to organizing food storage, there will be a job for anyone that comes. Families are welcome to serve together. Sign up today and partner with us! Click [HERE](#) to sign up!
- **S.O.A.P. (Scripture, Observation, Application, and Prayer)** – Are you taking the S.O.A.P. challenge for our #NothingWill series? Click [HERE](#) for more information on how to S.O.A.P. with us through the study of Romans!

Change:

- Think back to the message and share what theme, verse, or point stuck out the most? Why? ***Remember to bring your Update from the weekend to refresh your memory.
- Brad said that the church in Rome is a lot like Shift in that we have people from all different backgrounds. The church in Rome existed and grew despite these differences. With how fractured our country is does this give you hope in the Church of Jesus?
- Read Romans 14:1-3, 10-12. What do you think this looks like in the everyday?
- Read Romans 15:1-3. Give some examples of what it means to be strong for the weak. If you're comfortable please share a personal story of how you've experienced this.
- Read Romans 15:4-9. Paul call for unity through hope in the church. But so much of our church culture doesn't look like this. We even have the phrase “Church shopping”. How can we, Shift Church, be different? How can we stick it out through the good times and the bad times? How do you play a role in that?
- Ultimately Jesus is the hope that brings joy and peace. Describe what that actually means.
- What else has God put on your heart to share with the group? This can be about this week's teaching or anything else going on in your life. Now is the time to share with those who care about you and love you.
