

You in 5 Years Too Small to Fail

Look Back – Care, Praise, Loving Accountability, Vision – 20 mins This is a time to see how everyone’s week was. Were they successful in the previous week’s goals? Were they unsuccessful? It’s also a time to pour vision into your group. Give them the why behind things we are doing church wide. **Make sure to have your update outline with you so you can reference different points from the sermon.**

- Did anyone make a drastic action this past week?
- What goals have you set in your road to the you in 5 years? What’s the craziest goal you ever tried to set for yourself? What happened to that goal?

Look Up – What does the Bible say? Practice – 20 mins

- Read Dueteronomy 7:17-18, 21-23. Why do you think most of us look at our limitations or oppositions when times get tough?
- Read Exodus 23:29-30. Have you ever wondered why God doesn’t just hand over all you need at once? What do you think about what Joe said...(we would get lazy and we’re not ready)
- What do you think about this quote from Pastor Craig Groscheol “It’s all the small things that no one sees that equal the big things that everyone wants”? How has that been true in your own lives?
- Read Matthew 13:31-32. Think about where you want to be in 5 years. What stupidly small steps can you set up? Why do you think God loves using the small things?
- Joe laid out 4 cautions: 1. Choose Carefully 2. Spell it out Specifically 3. Track it Diligently 4. Guard it Aggressively. Do these practical steps help you in your journey to the you in 5 years? How so?

Look Forward – Set Goals (For Accountability), Commission and Pray – 20 mins

Commit to a step and live it out this week.

- If you haven’t yet what is one stupidly small goal you can make now that will help you achieve God’s dream for your life?
- If you have time work through the 4 steps for your stupidly small goal together. If not work on them at home and be ready to share them next week.
