

You in 5 Years In the Absence of Crisis

Look Back – Care, Praise, Loving Accountability, Vision – 20 mins This is a time to see how everyone's week was. Were they successful in the previous week's goals? Were they unsuccessful? It's also a time to pour vision into your group. Give them the why behind things we are doing church wide. **Make sure to have your update outline with you so you can reference different points from the sermon.**

- What's one thing that happened to you that caused change in your life? How would you be different if it weren't for that event?

Look Up – What does the Bible say? Practice – 20 mins

- Read 1Kings 19:19-21. If you're a follower of Jesus what has it cost you to follow him? How did it change who you are?
- Elisha poured water and was a servant for 18 years leading up to him being a prophet. What have you been learning over the last 5 years that have led you to where you are today? What do you think you still need to learn for the next 5?
- What asked what he wanted Elisha responded with a double portion of what God had already done. That's a big prayer. Are you praying big prayers now? Why/why not? What big prayers do you need to be praying?
- Pastor Brad said that for change to happen it's going to start with drastic action, it's going to take steady progression and then you can enjoy the momentum. What's drastic action do you need to do starting today (be ready to share)? If improvement happens daily and not in a day then what must you start doing daily now to be where God want's you in 5 years?

Look Forward – Set Goals (For Accountability), Commission and Pray – 20 mins

Commit to a step and live it out this week.

- Where do want to be in 5 years? Name on thing or goal you would like to achieve in 5 years.
- Write down your drastic action and what you have to start doing daily. Share that with someone to encourage in your steps to be where God wants you in 5 years.
